

Mecklenburg County Gifted and Talented Education Summer Scholars Program 2016

BLOW ME AWAY!

The Gifted and Talented Education Elementary Summer Scholars Program is pleased to announce our summer enrichment week for 2016: “Blow Me Away”. Mecklenburg County students who have completed grades 4 & 5 and have been identified as gifted are eligible to apply for this one week study of wind power. Teams of students will construct a windmill which will be used to activate a model vehicle. Students will use their research to design a presentation which will include a skit and demonstration of wind energy.

Who: Mecklenburg County Gifted Students, Grades 4 & 5

Where: Clarksville Elementary
South Hill Elementary

When: June 6 – 9, 2016 (first week of summer school)

Time: 8 am – 2 pm

Transportation: Bus transportation will be available.

Meals: Breakfast and lunch are available.

Cost: Free

How do I apply?

Complete the application on the next page and return it to your child’s elementary GATE teacher by NO LATER than May 2, 2016.
