

A MESSAGE FROM YOUR MCPS SCHOOL NURSE

A friendly reminder for parents and guardians of all current MCPS 5th Grade Students:

Now is the time to begin preparing your student for upcoming 6th grade enrollment:

Virginia requires that all children entering into the 6th grade receive a Tdap booster. This booster can be obtained from your local health care provider or local health department.

Proof of this Tdap immunization, must be on record before the student will be allowed to enter 6th grade.

Please call the healthcare provider of your choice to get this important booster for your student.

If you have any questions, please contact your school nurse:

Chase City Elementary—Peggy Williams, LPN
434-372-4770 ext. 8006
