► STUDENT RESPONSIBILITIES

To be a successful 21st Century future-ready student at Mecklenburg County Public Schools, students are expected:

1. To be on time and present at school each day.
2. To have regular classroom attendance and to be prepared to learn.
3. To be responsible for his/her own behavior -- a student chooses how he/she reacts to different events and situations.
4. To understand that inappropriate/disruptive classroom behavior interferes with teaching and learning.
5. To respect the feelings and rights of others.
6. To refrain from the use of physical force or the threat of physical force.
7. To do what the teacher or adult in the building reasonably requests.
8. To be aware of and follow all school and district rules and procedures.
9. To refrain from using profanity and other offensive language and behavior.
10. To be a student leader.
11. To be an active learner.

► PLEDGE OF ALLEGIANCE

In the spirit of patriotism and respect for the school, community, and nation, students will be given the option of reciting the Pledge of Allegiance at the beginning of each school day. While not everyone may care to participate, it is expected that those who do will be allowed to do so without interference or disruption.

► MOMENT OF SILENCE

The school observes a moment of silence at the beginning of each school day. It is important that all students respect this time by remaining seated and quiet during this moment. The moment of silence may be used for any lawful silent activity including personal reflections, prayer, meditation, and/or reading. However, the teacher who is responsible for each class will not influence students in any way to pray or meditate during the moment of silence. Students and employees are prohibited from praying aloud during the moment of silence.

► ATTENDANCE POLICY AND PROCEDURES

It is the policy of the Mecklenburg County School Board to do everything possible to encourage all children to attend school with regularity.

It is the legal responsibility of parents and guardians to ensure that students are in regular attendance for the entire school day. To be counted present a student must attend two complete blocks in an instructional day. Parents or guardians must seek homebound instruction for their children when they are absent for extended periods due to illness. The principal or guidance counselor will assist them in making necessary arrangements.

An “unexcused” absence is an absence where a student does not have a valid excuse.

1. A student who is absent for any portion of the day requires a note from his/her parent. A maximum of 5 parent notes will be accepted during each semester. In the event that there have been excessive parent notes already received for absences, a valid note from physician or other appropriate professional’s office. (“Excessive parent notes,” as determined by the school principal, are no more than five per semester.)
2. A written excuse from a parent or guardian should include the date(s) and reason(s) for the absence. Calling the school is acceptable notice if a note is sent upon student return to school. A written excuse from a physician’s office or other professionals’ office that includes the date(s) and reason(s) for the absences(s) is always acceptable.
3. Students should turn their notes in upon their return to school for it to be counted as excused or within 3 days of return.
4. The ONLY valid excuses for absences are
 - Illness (if over two days, the school may require a note from the physician)
 - Court appearance
 - Death in the family
 - Religious holidays
 - Extenuating circumstances which are determined by the school administration
 - Prior written notice to the school administrator by the parent/guardian is required for consideration of any other absence/reason.
5. Acceptable reasons for arriving late or leaving early are the same as those for any excused absence.
6. Suspensions are unexcused absences (but are not included in truancy totals).
7. A student will be expected to make up all assignments or to make arrangements with the teacher for any make-up work within five days of return to school. Students on suspensions will be expected to submit their assignments upon return to school and make arrangements with the teacher within five days after the end of suspension period to make up any additional hands-on activities, tests, or other schoolwork. Extenuating circumstances may be considered in extending the time limit.

It is the responsibility of the student to obtain assignments from the teacher/guidance counselor. A grade of zero may be assigned only if a student fails to submit or make-up assignments.

Once a student has arrived on the school grounds, he/she is not to leave before the end of the school day without permission from the principal or his/her designee. Such permission, except in cases of extreme emergency, will be granted only after the request has been received, required in writing, from the parent or guardian. (Students are not allowed to leave school at lunchtime and return). Excessive absence from any class due to arriving late or leaving early may result in denial of future requests may result in denial of credit for the course.

A student must be present for at least 2 full blocks (or in the event a student has another type of schedule, at least half the class) to be counted “present” for the day.

For a student to receive a “perfect attendance” award, students should be at school 100% of the time every day. “Not Been Absent” applies to being present for a part of each day.

► EXCESSIVE ABSENCES

If high school students or middle school students enrolled in high school credit courses accumulate more than ten (10) absences during a semester, including days missed because of late enrollment, the student may not be eligible for credit in any class.

Appointments will be scheduled with building administrators to discuss documentation of absences. If credit is denied, the principal's decision may be appealed to the superintendent's designee in writing within five (5) school days after the decision has been made. Excessive absences will be referred to juvenile and domestic relations court for students who are under age 18.

Only five (5) parent notes will be accepted as excused documentation for a student missing days from school per semester. All absentee notes must be turned into the office the day the student returns to school. Failure to do so may result in an undocumented absence. Please see the MCPS Code of Conduct for guidelines regarding excused and unexcused absences.

Absences will be excused for students who miss classes for the purpose of representing the school at a school-sponsored activity. These students will be counted as present and allowed to make-up work in accordance with the general school make-up policy.

If the parent or student makes a request for assignments, teachers are required to provide the guidance department with student assignments within twenty-four (24) hours of the request. In the case of class assignments that require in-class completion (test, lab assignments, etc.), the student will be expected to make arrangements with the teacher within five(5) days after his/her return to school to make up missed assignments. Due dates for completion of these in-class assignments will be established by teachers. Grades of zero (0) may be assigned only if a student fails to submit or make-up assignments according to these guidelines.

► EARLY RELEASE POLICY

According to the Standards for Accrediting Schools in Virginia, every student must maintain a full day schedule unless a waiver is granted by the division superintendent. This waiver, in the form of early release, is a privilege available only to qualified **seniors** or **juniors** enrolled in the Marketing Cooperative Class. Requests are not automatically granted. Early release students must leave campus immediately and may not return to campus during school hours unless granted permission by the administration. ▶ **CODE OF CONDUCT AND BEHAVIOR EXPECTATIONS**

The faculty, staff, and administration is dedicated to maintaining a safe and secure learning environment while providing an academically challenging curriculum that will cultivate each student's unique capabilities and talents. Each student is encouraged to model citizenship and appropriate behavioral traits that demonstrated an understanding of respect of him/her and others. In order to maintain this environment, each student must be held accountable for his/her actions with an understanding that there are positive and/or negative choices for such actions.

Please refer to the MCPS division code of conduct manual for specific conduct violations and possible disciplinary consequences.

TARDY PROCEDURE

In Mecklenburg County Public Schools, we emphasize the importance of each student being in the classroom for the entire period, as well as arriving on time to school every day. Learning the responsibility of getting to class on time is an integral part of MCPS' standard of excellence, which prepares students for success. Please refer to your child's school for the tardy procedure. Be advised that excessive absenteeism/tardiness may result in suspension of privileges, such as parking, attendance at school events, etc.

CUMULATIVE NATURE OF DISCIPLINE

Certain infractions of school rules or School Board policies by students will carry penalties of cumulative nature. Those policies include, those dealing with drugs and alcohol, weapons, and violent disrespect of employees. In these cases, a first offense of a particular type carries a particular penalty. A second or third infraction of a similar type carries more severe penalties. A student's record will accumulate during all of his/her years in a school level; thus elementary infractions will accumulate through all the student's elementary years; middle school begins a new accumulation; and high school another.

Other infractions are not cumulative for the duration of a student's enrollment in a school. These hold a one-year accumulation only, and the student begins anew each year. However, the principal may, at his/her discretion, declare that any infraction will accumulate beyond a school year (that is, accumulate for the duration of the student's enrollment in the school). In such cases, the parent and student will be notified, in writing, of the cumulative nature of the infraction.

VANDALISM AND PROPERTY DAMAGE

This is your school! Each student is expected to take pride in keeping the buildings and grounds neat in appearance at all times. Students who destroy or vandalize school property will be required to pay for losses or damages. If a student willfully destroys school property, suspension and possible expulsion will result as well as legal and financial responsibilities. If a student happens to damage something by accident, he/she should report it to a teacher or the office immediately.

CHEATING

MCPS believes that every student should be encouraged to be a responsible, trustworthy individual, capable of excelling to the best of his/her ability without cheating. A positive environment conducive to learning is provided, and students are encouraged to seek assistance from parents, teachers, and peers in an appropriate way when extra help is needed. Cheating, however, is not acceptable at any secondary school.

Each cheating episode is an automatic referral to the office with the following consequences:

- 1st offense:** Zero grade, parent notification, counseling
- 2nd offense:** Zero grade, one day of ISS, parent notification, counseling
- 3rd offense:** Zero grade, two days of ISS, parent notification, counseling
- 4th offense:** Zero grade, one day OSS, parent notification, counseling

IMPROPER DISPLAY OF AFFECTION

Although we support positive student relationships, we do not support or condone any public display of affection on campus or during off-campus school sponsored events. Repeated incidents of public display of affection will result in disciplinary actions and a mandatory conference with parents or legal guardians.

STUDENT IDENTIFICATION

Each student will be issued an identification badge with his/her picture. This badge must be in the student's possession at all times.

The school staff is responsible for supervision of the building and grounds at all times. Therefore, if a staff member asks a student for his/her name or other identifying information, such as the identification badge, the student shall provide that information. Failure to do so will result in disciplinary action.

UNAUTHORIZED AREAS

Various parts of the campus are off limits to students during all or parts of the school day. Being in an unauthorized area will result in disciplinary action.

BUS TRANSPORTATION

It is the county's goal to transport all children to and from school safely and free from intimidation or fear of harm. All students who ride a school bus are subject to and expected to abide by the laws, rules, and regulations set by the Commonwealth of Virginia and the Mecklenburg County School Board. The driver is in charge of the bus and students who ride the bus. The student must accept the authority of the driver and cooperate with his/her requests. At any time, a parent conference may be required by the principal or his designee before a student can return to the bus. Riding a school bus is a privilege. Abuse of this privilege will not be tolerated.

Parents, Guardians, and Caretakers of students attending Mecklenburg County Public Schools and utilizing school transportation (school buses or cars) must:

1. Discuss transportation safety rules with their students on a regular bases.
2. Have turned in written permission (**no phone calls**) for their student to ride a bus different from their assigned bus prior to 2:00 p.m. on the day the student is to ride an alternate bus.
3. Communicate bus concerns to building administration. **No conference at the bus.**
4. Refrain from entering county public transportation vehicles.

The following rules are established in the interest of the welfare and safety of all student who are transported by bus:

1. Students must be and remain at designated bus stops, on the shoulder of the road, out of the line of traffic, until the bus arrives. Occupying traffic lanes can be fatal.
2. Students are to avoid crowding, pushing and otherwise disturbing others when entering or leaving the bus.
3. Students who must cross the highway when getting on or off the bus must cross 8 to 10 feet in front of the bus in clear view of the driver.
4. Students must not talk to the driver while the bus is in motion.
5. Students are not allowed to bring bottles, cans, toys, sharp instruments, candy, potato chips, flowers or unnecessary object on the bus at any time. Students may not chew gum, eat or drink on the bus.
6. Students are not to stand at any time.
7. No objects, such as suitcases, band instruments, etc., are allowed on buses unless they are small enough to be held by the student. No items are allowed in the aisle or under the dash at any time.
8. Students are not allowed to get on and off the bus at unscheduled stops. They must get off only at scheduled discharge stop with proper permission.
9. Students shall have no cell phones, beepers, or other electronic devices turned on, in use, or visible on the bus unless approved by the building administrator.

Students are expected to abide by the foregoing rules as written. These rules will be strictly enforced by school principals, the supervisor of transportation, and administrative officials.

Failure of students to abide by these rules may result in suspension of privilege of riding a bus until an assurance of acceptable behavior can be obtained from the students involved and their parents.

SCHOOL BUS REGULATIONS

All Mecklenburg County School students who ride Mecklenburg County School buses must adhere to the aforementioned expectations for conduct and behavior. Failure to comply with these expectations will result in disciplinary actions and may result in the student losing his/her bus privilege for the remainder of the school year.
