Students receiving homebound instruction may not work or participate in extra-curricular activities, non-academic activities (such as field trips), or community activities unless these activities are specifically outlined in the students medical plan of care or the Individualized Education Program (if applicable).

Acknowledgement/Release: I acknowledge this request and agree with the need for homebound services. I further acknowledge that the requested homebound services for students receiving special education services shall be subject to review by the student's IEP team pursuant to the Individuals with Disabilities Education Act. I will provide an environment conducive to learning, ensure that a responsible adult is in the home for the duration of instruction, or provide transportation to another agreed upon facility. I will keep appointments with the homebound teacher or contact the teacher or homebound coordinator if an appointment must be missed. I understand excessively missed appointments may lead to termination of services. I understand that the local school division has established policies and procedures for homebound instruction that provide more detail than this certificate of need. By my signature, I authorize the release and exchange of medical information between the health care provider, listed on the reverse side, or his/her designee, and school division personnel. My signature provides the heath care provider(s) with the authorization necessary to disclose protected health information and records regarding said student as it pertains to the condition for which homebound instructional services are being requested. This authorization may be withdrawn at any time in writing. While receiving homebound instruction, I understand that my child must abide by Mecklenburg County Public Schools' Code of Conduct and Truancy Policy. Please note: This form, including parental permission to contact the treating physician or psychologist, must be fully completed in order for the student to be considered for homebound services. If you have questions about completing this form, please contact: Mary Hodges, Director of Exceptional Programs, or Jeannie Garner, Secretary, at 434.738.6111 or 434.447.7631.
