

To show comments in a form, follow these steps:

1. On the **Review** tab, click **Restrict Editing**, click **Stop Protection**.
2. On the Review tab, in the **Tracking** group, click **All Markup**.

To print a document without printing the comments, follow these steps:

1. On the **File** tab, click **Print**.
2. Under **Settings**, click the down arrow next to **Print All Pages**.
3. Click **Print Markup** to remove the v.

4. Click **Print** at the top.
