

5th Grade

Next Stop ... Middle School!

5th Graders and Parents,

**Please join us Tuesday, June 15th at 5:30 to
celebrate your child's promotion to 6th grade!**

**The event will be held outside at the main entrance,
weather permitting. We are asking that parents park in
the side parking lot or in front of the new wing and we
will have families gather, socially distanced, in the
parking directly in front of the school. We will
acknowledge each student so that they may be
presented a promotion certificate and take pictures
with family and staff.**

(In the event of rain, the event will be changed to a drive through celebration.)

**We are asking that you limit to parents and
siblings only, so that we may keep attendance to a
minimum for safety reasons.**

******Virtual students, please return chrome books at this time!******
